SRC Treasurer Looking for Help With Duties

Treasurer, Bill Spalding, is looking for an SRC member who would be willing to spend a few hours per month helping him complete club business. Please contact Bill at 206-999-6671 for details.

Weekend Range Schedule

Match season is in full swing at SRC and the firing lines are busy – especially on match weekends. The north range will be closed Saturday 7/23 from 12pm to 7pm, and Sunday 7/24 from 8am to about 12pm. The indoor range is open for member use when the north range is closed during matches. Please check the outdoor calendar on the SRC website before heading to SRC for weekend shooting.

Free Service Rifle Class at SRC

Do you want to learn how to be a better rifleman? Are you a pistol person who has wanted to learn rifle handling and marksmanship? Please contact Dusty McQuary at srchighpower@gmail.com or Larry Bassett at ljbass2@gmail.com for details about this unique opportunity.

The amazing view from bench one on the SRC 200 yard line. Shooters enjoy a river view from every bench on the 200 yard line.

Congratulations to Action Pistol's top three finishers. Way to go!

SRC Happenings

- Spokane Police Officer Shawn Kendall presented the informative, scenario based seminar *Enhancing the Survival Mindset* at the July Women's Division seminar. The next meeting for women's division will be August 12th at 6pm at Sportsman's Warehouse. You do not need to be a member to attend the meeting. SpokaneTWAW@gmail.com for details and registration.

Have you ever wanted to know more about the AR platform? Some of SRC's Well Armed Women want to learn more about the maintenance and operation of ARs and they are participating in a unique Build Your Own AR15 class. All equipment, tools, instruction, and expertise are provided. The course will take place on three different dates over two months, and will culminate with range time facilitated by carbine instructors. No experience is needed for this unique build-your-own opportunity and it is open to members and non-members, women and men. There are some open spots so contact the class coordinator at renzfive@msn.com or find pricing and details at www.KaeryConcealed.com if you or someone you know is interested. Don't delay, these spots will go fast. Registration closes August 5th.

Summer Sewer Work

From Executive Officer, Larry Bassett: We appreciate everyone's patience over the past few days (July 15th - July 18th) as we dealt with the sewer problems at SRC. The culprits were two crushed pipes. One going from the north clubhouse to the septic tank and one going from the septic tank to the drain field. These occurred from years of folks driving cars and trucks to and from the 200 yard targets. The pipes finally collapsed under the high traffic areas. Things are up and running now and we hope there will be no problems in the foreseeable future. A hearty thank you to Tim Hollar and Jason Pickett, our custodians, for a really well done job.

Due to recent sewer work at the North Clubhouse, the road to the 200 yard targets is off limits to cars and trucks until further notice.

The Junior Division's gold and silver teams competing at Camp Perry in Ohio.
