Please Help — Volunteers NEEDED

Will you volunteer to serve as a cashier or a spotter? Experience is not necessary—if you can walk and talk we can teach you the rest! Please volunteer by calling SRC at 509-327-9632 or emailing ljbass2@gmail.com.

2016 Sight-In Days at Spokane Rifle Club

For as long as SRC has been in existence, the club has hosted Sight-In Days. In the fall of each year, the board and membership of SRC make the 100 yard line available to community members for the purpose of sighting in their rifles.

In 2015 alone approximately 150 hunters made use of this vital community service. With the mandatory closure of several local, informal "ranges" this year's Sight-In Days are more important than ever.

The non-member fee for Sight-In Days is \$20 while members may utilize the 100 yard line, as usual, with no fee. During Sight-In Days, SRC remains open and available to the membership.

Come on down to the rifle club to volunteer as a cashier or spotter, sight in your rifle, or just hang around the clubhouse. In keeping with tradition, all volunteers are well fed (a few members have been known to volunteer just so they can enjoy the delicious food!).

No matter what, Sight-In Days are a blast! There is usually something on the grill, and an ever-present supply of coffee and opinions – so come and join the fun! We're looking forward to another great year!
