## Plan Ahead & Consult the Outdoor Calendar

Match season is in full swing at SRC and the firing lines are busy – especially on the weekends. When the north ranges are closed for a few hours during matches, the indoor range will be open to accommodate members (at no charge).

## Thank You Shotgun Dave

Longtime Shotgun Chairman Dave Valandra is calling it a day as a board member. The SRC Board expresses deep gratitude for Mr. Valandra's exceptional dedication to, and leadership of, the Shotgun Division. There is no doubt that Mr. Valandra's organization and expertise will be sorely missed. Mr. Valandra appreciates all of the shotgun shooters and their dedication to ensuring the continuation of trap at SRC.

## Thank You to Friends of the NRA

The Board of Trustees extends an enthusiastic thank you to our local *Friends of the NRA* for their generous donation to the Junior Division. The funds will be used to extend the program through vital equipment investment.

*Happy 100th Birthday SRC*

## SJRC Alum Retires

Junior Division Alum Amanda Furrer's 15 year shooting career culminated with her participation in this year's Olympic trials. The Board of Directors and the membership of the Spokane Rifle Club would like to recognize and to thank Amanda for being a credit to the shooting sports, the Spokane Area, and especially to our club. Thank you Amanda for being a wonderful person and a shining star for our club. We are proud of you! The SRC family looks forward to witnessing with extreme pride all that Amanda will accomplish and experience in her future endeavors.

## SRC Happenings

- Non-member days are Mondays and Fridays and the fee is \$20.
- Sheriff Ozzie Knezovich spoke on the topic of firearm law to the 39 women who attended the April Women's Division seminar. *Developing a Defensive Mindset with Unarmed Self-Protection Strategies* is the topic of the May 13th meeting. You do not need to be a member to attend the meeting. SpokaneTWAW@gmail.com for details and registration.
- Do you know any children or adults desiring hunter education certification? There are three courses remaining for 2016: May 9-14, June 13-18, and August 8-13. See the SRC website for details.

*Hunter Education Range Day at SRC*

- Cast Bullet's match season is underway, with one extremely well attended match already in the books. Their next match is Saturday, May 7th at 8am.
- Mr. Bill Havercroft, longtime club member and a coach of Spokane Junior Rifle Team, is recovering nicely from an very sudden eye operation. We all wish you a speedy recovery and we miss you. Our thoughts and prayers are with you and we hope to have you back very soon.

## Memberships & Numbers

Did you know that in addition to SRC memberships being family memberships they also include minor grandchildren? While visiting SRC, minor children need to be supervised by an adult family member at all times.

Each membership is assigned *one* membership card containing *one* five-digit SRC number that is used to access SRC facilities. Members are not asked to present a membership card when visiting SRC – just the member's number is used to sign in. Many have found it helpful to add their membership number to the contacts in their smart phones for easy recall. Unfortunately, we cannot issue replacement cards (remember, the cards are not required or needed at sign in, only the member number is needed to use SRC facilities), nor are we able to issue a card to each member of the family.

## *WISHA Compliance & Work Parties*

Over the past few months, members of the board have worked diligently to rectify "hazards" and issues identified during the recent Washington Industrial Safety and Health Act (WISHA) audit of SRC facilities. In an effort to efficiently facilitate WISHA compliance through out SRC facilities, numerous work parties will continue over the coming weeks. Significant and ongoing member participation in the various work parties is vital to SRC achieving and maintaining WISHA compliance. The members that have gone before us worked diligently to keep SRC open for the last 100 years, let's all pitch in to make sure that SRC makes it through the next 100! Please contact Larry Bassett, Executive Officer and Facilities Supervisor, at [ljbass2@gmail.com](mailto:ljbass2@gmail.com) to find out which work parties need your help.
