Larry Bassett (Ex. Officer , John Johnston for Vice Pres. and Bill Mott for the position of Treasurer. Since there weren't any further nominations, nominations were closed.

Since there weren't enough members present to form a quorum and hold an election, an Executive Session would be held to appoint the nominees after the General Meeting.

President Orth reviewed the past years accomplishments. These included the up grades to the trap range, the long range berms, the 25 yard line and the Big Horn Show.

Each of the E-Board members and individual chairmen talked about their areas of responsibilities and how things had grown, changed and improved.

Larry Bassett wanted to ensure that both Jerry Masgai and Dave Valandra received Atta Boys for their time and work through out last year. Jerry for the work and time spent designing the changes made to the berms, trap field and trap houses. Dave for his time and work getting the work completed on the trap field and trap houses.

Larry also advised that the High Power group would be shooting three weekends a month.

Dave Valandra said that they had 90 shooters last month and that the hinges on the new trap house lid had broken. He also told us that the Trap Winter Shoot would start January 2, 2011, run Thurs., Sat and Sun for ten weeks. Signup sheets would be posted in the Trap Clubhouse.

Bruce (Black Powder Cartridge) said they have 15 members. They require firearms of 1896 or earlier vintage and shoot normally at 200 yards with 600 yards events possible.

The floor was then opened to any questions or suggestions from members. The only question arose about the plans for rebuilding the 100 yard line. Larry Bassett (Ex.
