Awards: Prizes will be awarded to top finishers for each classification of competitors having 5 or more competitors. When there are insufficient entries in any class to warrant an award in that class, the individual or team involved may be moved by the Match Director to a higher class.

General Information:

Squadding: All matches will be squadded. Competitors are required to pull targets or provide someone to do so.

Competitors must report to the Stat Office before firing. NRA classification card must be shown before squadding is issued. A competitor who fails to present himself/herself at the proper firing point when his/her relay is called may lose his/her right to compete in that event.

Classification of Competitors:

19.1 Classified Competitors - Classified competitors are all individuals who are officially classified by the NRA for High Power Rifle competition, or who have a record of scores fired over courses of fire used for classification (See Rule 19.4) which have been recorded in a Score Record Book.

19.2 Unclassified Competitor - An unclassified competitor is a competitor who does not have a current NRA High Power Rifle classification, either regular or temporary by Score Record Book (Rule 19.14), nor an "Assigned Classification" (Rule 19.6). Such competitor shall compete in the Master Class.
